

Title : **Managed Reporting Services for Participant Transition**

Proposal Closing Date : **15 July 2025, 12.00pm**

Body : Payments Network Malaysia Sdn. Bhd. (PayNet) invites qualified and experienced IT Suppliers who fulfill the requirements listed below on **Managed Reporting Services for Participant Transition**.

Mandatory Requirements:

1. The interested Bidder must be a Malaysian registered business;
2. The interested Bidder must have a minimum working capital of RM375,000;
3. The interested Bidder must have a minimum positive net worth of RM375,000 or twice the project value;
4. Bidder must have proven experience working with PayNet's settlement and billing reports; and
5. Bidder must demonstrate expertise in implementing reporting services for billing, settlement, and reconciliation within the digital payments industry, with similar project experiences completed within the last five (5) years.

Issuance of RFP Document:

To receive the (RFP) document, the interested supplier must **register interest** to participate in this exercise by sending an e-mail to the Procurement Secretariat at procurement@paynet.my with the e-mail subject "[Name of Company]'s Indication of Interest for **Managed Reporting Services for Participant Transition** Also included in the e-mail are **evidence / proof document for items (1) to (5)** listed as mandatory requirements.

Only e-mail indication of interest received **before or at 12.00pm, 30 June 2025** (based on PayNet's mail server time stamp) with the required attachment stated above will be entertained. PayNet will not provide any acknowledgement of receipt in response to IT Suppliers' indication of interest e-mail. The RFP document will be issued via e-mail to IT Supplier at no cost after the closing registration time.

Proposal Closing Date:

The closing date and time for the submission of the proposal is at **12:00pm, 15 July 2025**.
