

Title : Cyber Risk Insurance Subscription for PayNet

Proposal Closing Date : 02 June 2022, 12.00pm

Payments Network Malaysia Sdn. Bhd. (PayNet) invites qualified and experienced insurance companies or insurance brokers who fulfill the requirements listed below to provide **Cyber Risk Insurance Subscription for PayNet**.

Mandatory Requirements:

1. The interested Bidder must be a local (i.e. Malaysian registered) licensed insurance company, takaful operator or a licensed insurance brokerage firm;
2. The interested Bidder must sign the Undertaking of Confidentiality letter with PayNet upon registration of interest to participate in this RFQ exercise;
3. The interested Bidder must have experience in underwriting similar insurance for previous client, preferably with a payment processor like PayNet;
4. The interested Bidder must make use of PayNet previously completed underwriting questionnaires to prepare quotation;
5. The interested Bidder must be able to propose all insurance coverage below but not limited to:
 - a. Technology Professional Indemnity (PI)
 - b. Cyber Insurance. Please see Appendix 1.
6. The interested local licensed insurance company or licensed takaful operator and/or local insurance broker, reinsurers (collectively known as the "Consortium") must demonstrate understanding and minimally has provided Cyber Insurance and Technology Professional Indemnity to Financial Institutions or Payment Operators;
7. The Consortium must have relevant experience in managing cyber claims/large and complex claims for Financial Institutions or Payment Operators in Malaysia or regionally/globally;
8. All placements must be with minimum BBB-rated insurers/reinsurers.

Issuance of RFQ Document:

To receive the (RFQ) document, the interested vendor must **register interest** to participate in this exercise by sending an e-mail to the Procurement Secretariat at procurement.secretariat@paynet.my with the e-mail subject "[Name of Company]'s Indication of Interest for **Cyber Risk Insurance Subscription for PayNet**". Also included in the e-mail are evidence / proof document for items (1) to (8) listed as mandatory requirements.

Only e-mail indication of interest received **before or at 12:00PM, 19 May 2022** (based on PayNet's mail server time stamp) will be entertained. PayNet will not provide any acknowledgement of receipt in response to vendor's indication of interest e-mail. The RFQ document will be issued via e-mail to vendor at no cost after the closing registration time.

Proposal Closing Date:

The closing date and time for the submission of the RFQ response at **12:00PM, 02 June 2022**.
