Title	:	**Appointment of Consultant for PayNet Product Rules Review**
Proposal Closing Date	:	**22 October 2025, 12.00pm**
Body	:	Payments Network Malaysia Sdn. Bhd. (PayNet) invites qualified and experienced Vendors who fulfill the requirements listed below to **Appointment of Consultant for PayNet Product Rules Review.**

Mandatory Requirements:
1. *The interested Bidder must be a Malaysian registered business;*
2. *The interested Bidder must have a minimum positive net worth of RM 500,000 or twice the project value, whichever is lower;*
3. *The interested qualified Bidder must have minimum project value of RM500,000 for the past project; and*
4. *Evidence that the interested Bidder has similar project experience within the last five (5) years with similar project scope i.e. reviewing and revising product rules, operational procedures, and governance frameworks for financial market infrastructures, payment systems, or regulated financial institutions.*

Issuance of RFQ Document:

To receive the (RFQ) document, the interested supplier must **register interest** to participate in this exercise by sending an e-mail to the Procurement Secretariat at procurement@paynet.my with the e-mail subject "[Name of Company]'s Indication of Interest for **Appointment of Consultant for PayNet Product Rules Review.** Also included in the e-mail are **evidence / proof document for items (1) to (4)** listed as mandatory requirements.

Only e-mail indication of interest received **before or at 12.00pm, 1 October 2025** (based on PayNet's mail server time stamp) with the required attachment stated above will be entertained. PayNet will not provide any acknowledgement of receipt in response to Vendors' indication of interest e-mail. The RFQ document will be issued via e-mail to Vendor at no cost after the closing registration time.

Proposal Closing Date:
The closing date and time for the submission of the proposal is at **12:00pm, 22 October 2025.**
